Everything Depends On Aims Has In View America

LONDON, JAN. 26 (REUTER)—THIS IS A MOMENT OF HIGH EXPECTANCY IN THE FAR EAST, SAYS THE MAN-CHESTER GUARDIAN IN A LEADER DEALING WITH WANG CHING-WEI'S NEGOTIATIONS AND THE LAPSING OF THE JAPANESE-AMERICAN TRADE TREATY.

JAPAN IS" TO GET A CENNTRAL GOVERNMENT THROUGH WHICH SHE HOPES, WITH HOWEVER LITTLE APPARENT GROUND, TO END THE EXHAUSTING WAR. A period of unregulated trade relations opens between

Japan and the United States. America now has her hands free to leave trade with Japan as it is, to make it more difficult or to place an embargo thereon.

Everything depends on the aims it has in view.

Ostensibly the United States is only dissatisfied with the way Japan has treated American interests in China but it is generally conceded that the denunciation of the Treaty has a much wider aim.

Referring to the moral embargo on war materials to Japan, the Manchester Guardian says it will now be seen whether the movement for an official embargo will be pursued and, if so, with success.

Referring to Wang Ching-wei, the paper says he is an example, neaas it is familiar, of Japanese state craft. He will be established as the central government and Japan will then wash her hands of all official responsibility for China's actions though she will rule them. BASED BY JAPAN

OIL IS THE KEY

PARIS, Jan. 26 (Reuter)-Oil is the key to victory. This is the theme of this morning's Paris

... We must not think that time is working for us , writes M. Charles Morice in Petit Parisien The present situation facilitates the Reich's plans by enabling her to organise fuel supplies and to build up stocks with an eye to a totalitarian war, which Hitler certainly has not renounced, and will not renounce.

L'ORDRE says that, according to neutral sources. Next circles in Berlin consider it. certain that the war will degenerate into a war for oiland they are preparing for extension in the near future of military operations into the Cacusus, Iraq, Persia and Arabla:

"This is a warning to England from France. Turkish friendship has never been more valuable. Everywhere 'the Allied Governments must act only in full agreement with Ankara."

EXCELSIOR, in a partly-censored article, says that recent Rumanian oil export figures show that for 83,000 tons of oil shipped to Germany, 293 000 more were shipped to other a countries via Constanza.

The paper adds that this comparison shows that Germany cannot hope to dominate the Rumanian market, and gives some idea of the importance of Constanza, which is closed to Germany by the blockade.

OLD RIVALS MEET TODAY ON SOOKUNPOO GROUND

Should Prove Too Good For Craigengower

(By "E. U. Ropes")

There should be plenty enough for followers of cricket this afternoon with two matches in the Senior Division of the Cricket League. The Army will be playing Kowloon Cricket Club while at Sookun poo the annual battle between the two old-time rivals, Craigengower Cricket Club and Indian Recreation Club, will be fought out on what appeared to me, yesterday afternoon, a rather fast wicket.

Dealing with the Army-Kowloon game first, this ought to produce a glut of runs as both teams appear to be stronger in batting than "in bowling. The two regular Kowloon opening bowlers, N. D. Lloyd and Robert Lee do not seem to have struck form yet though Donald Anderson has been taking some wickets as first change bowler.

What Kowloon really needs is a fairly reliable left-hand bowler, and as W. L. McKenzie, who has played regularly for their second eleven for many years, is back again from leave, they might do worse than giving him a trial -as a contrast to either Lloyd or Lee.

The Army have a few men who can, when they get going, score at a fairly good rate-Capt. Grose, Capt. Godby, Major Harvey and Sergt. Denyer being amongst them. I see that Lieut. ISMAIL NOT BOWLED

I notice that A. K. Ismail was not bowled by Erie Zimmern in their match against Kowloon last week. I" hear this bowler has gone off altogether. This is indeed a pity. if true, for on his day Ismail is i very awkward man to play, coming down as he does rather square round the wicket.

P. J. Billimoria, who held such terrors for the Indians a couple of seasons ago, has lost a great deal of his sting. Lack of practice, more than anything else, has caused this for I hear that this player seldom gets away from his office before dark.

HOW NAZIS IN THE U.S. FEED THEIR RELATIVES IN GERMANY

FOOD, CLOTHING DESPATCHED

WASHINGTON, Jan. 26 (Reuter) -The public revelation of the recent enormous growth in the dispatch of food and clothing to Germany has produced a diminution of the feeling aroused by the Anglo-American controversies over the British examination of United States mall.

U.S. CONCESSION

It is believed that the United States concedes the right of Britain to examine parcels, but will continue to dispute the right of Britain to censor letter correspon-

It is widely known in this country that, since the stoppage of German sailings, German shipping offices have been exclusively engaged in booking orders for food to be bought in Holland and shipped to given addresses in Germany.

This practice enables the Germans here to feed their relatives in Germany and in addition, provide Germany with foreign exchange reserves.

Speculation Over Hitler's Long Silence

LONDON, Jan. 26 (Reuter)-Speculation has been aroused in London over Herr Hitler's long silence, which was only broken by the speech he made on Wednesday night to 17,000 Air Force and Army cadets at the Sports Palace in Berlin. The contents of his speech have not been revealed.

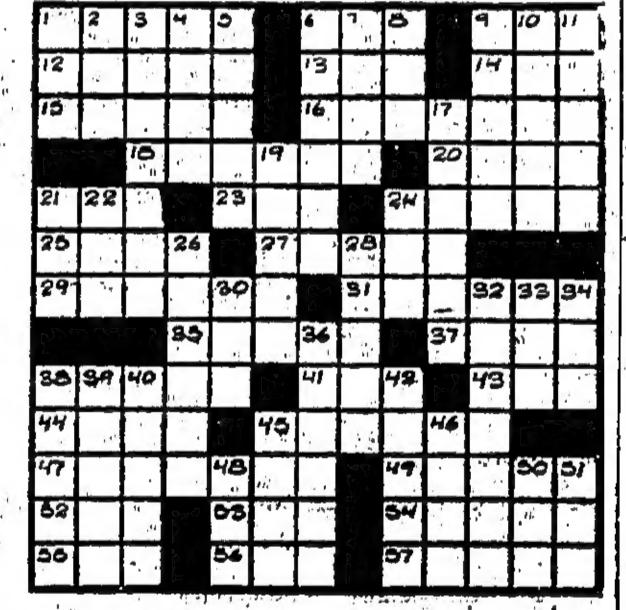

NAZI ANNIVERSARY .

Interest is aroused in the possible plans for the celebration on Jan. 31, which is the anniversary of the Nazi coming into power. Generally this celebration calls for a meeting of the Reichstag and a speech by Der Fuehrer.

Semi-official circles in London comment that this year there has been no indication of whether he will find anything to say when the anniversary arrives.

Captain Dove was not expected to recover and his brother. Fr. J. Dove, now rector of St. Hugh's, Letchworth, gave him the last sacraments. It was some years after his recovery that the same brother officiated at his marriage. CATHOLICS & "PUNCH"

"L.G." URGES NEED FOR ORGANIZATION

LONDON, Jan. 26 (Reuter)-"Every semp of land ought to be conscripted in the" fight for freedom," declared .. Mr. Lloyd George, in the course of a debate in the House of Commons, on agriculture, in the course of which Mr. W. S. Morrison, Minister for Food, justified the Government's policy in concentrating on the storage of wheat and stated that the supplies of feeding-stuffs for animals had now been raised to sixty-six percent of normal requirements.

He added that he did not think it reasonable to expect that full pre-war supplies of feedingstuffs could be maintained in wartime and urged the utmost economy overseas in feedingstuffs.

"L. G.'S" APPEAL

Lloyd George, declaring that British agriculture and the carrying capacity of British ships had largely declined compared with 1914, urged the Government to organise its resources on the assumption that it was going to be a very long struggle.

He added that if it was a short one, we should gain by" the saving for two or three years.
